

IN
THE NAME OF
THE
MOST MERCIFUL

*CERTAIN MAXIMS come down
to us from Ancient Times.*

*Since the days of Wandering Tribes
of Hunters & Gatherers,
& Herders of Animals ~ And later when
Plants were Sown & Land was Owned,
& People too ~ And Villages grew,
& Crafts & Trade & Peace & War ~
Down to our Own Time it has been said*

MARRY FOR LOVE
AND MONEY

MARRIAGE MAXIMS

*You are forming an Economic Unit,
a Partnership for earning a living and
for raising children. Most societies consider
this too important to leave to love alone.*

*Love is perennial as the grass.
Like fish, we swim in its ocean.
Love is a great deal more subtle
than 'being in love'. If you are
loving people, you cannot fail to love
each other, for this is what the Essence IS
~ the Permanent Abode of Love.*

**LOVE IS UP TO YOU,
NOT YOUR PARTNER**

*Do not worry whether your partner
loves you (your ego can never feel loved).
The issue is how fully you love your partner.*

**A FRIEND IS MORE VALUABLE
THAN A LOVER**

*'Lover' is a functional term, like
someone who takes care of the plumbing.
Should there be times when the function
is not fulfilled, you will be
tempted to terminate.
Fortunately, Friendship is Forever.*

*To thine own self be true
Thou canst not then be false
to Any[one]*

so....

NEGOTIATE THE IMPORTANT ISSUES
(Even if it raises Cain around the House)

*If you Capitulate on something which is
Truly Important to your Core Self
you will either Die or Leave.
Negotiate until you can work it out.*

**MARRIAGE IS A MATTER
OF INTENTION**

*You are making a Choice when
many people in the world cannot rely
on themselves to steer a steady course.
In the worst of times it will seem
arbitrary and hopeless to be imagining
a goal which goes beyond your
present conflict. Nevertheless ~*

**ENDURING PARTNERSHIP IS
SOMETHING YOU CREATE
WITH YOUR IMAGINATION**

*Remember that the energy between a
Man and a Woman is the most powerful
in the Human Scale. You are plugged
into the Great Current of Life (AC).
Nature is with you, even when
Ego and Society are not.*

*At times
you will be carried on a torrent of emotion
which is Raw Biology.*

So

VALUE RATIONAL DISCOURSE

*One of the great inventions of Human
Civilization is to Dialogue rather than
Coerce even when emotion and passions
are running high. Listen.*

In an argument,

NEVER GO FOR THE JUGULAR

*No matter how angry or hurt you are ~
even if you are screaming at each other ~
never cut to the personal quick.*

And

KEEP A SENSE OF HUMOR, PLEASE
